

### **Green Volunteers**

Students registered in the Eco Club as Green Volunteers took on the responsibility of developing and designing the college campus garden. With a passion for environmental sustainability, they worked together to plan and create a green space that promotes biodiversity and beauty. From selecting ornamental plants to designing paths and seating areas, they applied creative solutions to make the garden both functional and attractive. The Haritha Krishna Eco Club provided hands-on learning about environmental stewardship and landscape design, while also encouraging teamwork. Their efforts contributed to a thriving garden that serves as a peaceful retreat and a symbol of ecological responsibility.

Students actively participated in the garden beautification activity, transforming the space into a vibrant, welcoming area. They worked together to plant flowers, trim hedges, and add colourful plants, enhancing the aesthetic appeal of the garden. Through teamwork, they learned about plant care, garden design, and the importance of maintaining green spaces. Student engagement fostered creativity, responsibility and environmental awareness, allowing students to take pride in their accomplishments. Their efforts resulted in a more serene and attractive environment, contributing to the well-being of the entire school community.

## I B Sc Botany Major Students

### III Bsc (BZC) students in plantation work

### **I BSc Botany Major students in plantation work**

**Plantation at Ornamental Garden**

### Students from MPCs involved in garden beautification

**BA students participated in the beautification of rock garden**

**Students in regular garden work**

**Students arranging indoor plants in the verandas enhancing the space with greenery and promoting a healthy environment**

**Students actively involved in creating green verandahs, fostering a sustainable and eco-friendly environment**

### **Rock garden rearrangement**

### **Weeding by Students**

### Weeding by Students

### **Sramadhan by NSS volunteers**

### **Shramadhan by Unnat Bharat Abhiyan**

## Cleaning at Green house

**MPC students participated in the plantation**

**Dedicated NCC cadets actively participating in garden work  
contributing to a greener environment**

**"NCC cadets engaged in Sramadhan, demonstrating teamwork and dedication to community service"**

**Weeding by NCC students**

**Weeding by NCC students**

### Weeding by Students

### Organic farming Major students engaged in the garden work

## Watering by Students

### Removing the *Cuscuta*, a stem parasite

## Plantation by MBBC Students

## Plantation by II B. Sc BZC Students

## Sowing of vegetable seeds

### III B. SC Students in Plantation Work

## Students drop plastic bottles in the DROP box

Students are encouraged to collect plastic waste from the college and drop in the Drop Box

## **Best out of Waste**

### **Students Converting Used sinks and other plastic items into planters**

### **Painting by students to transform the sink into a planter**
