Activity report 2021-2022:

During 2021/2022 the nss activities in the beginning of academic year in the month of June and July mostly conducted from the home as the pandemic spread was high due to the outburst of Delta plus variant. In spite of the covid pandemic the regular activities conducted actively by the volunteers and the programme officer.

REGULAR ACTIVITIES:

Plantation and Environmental Consciousness activities: During 2021 in the month of July plantation activities were performed by the volunteers from their villages in school premises, at their home. They created awareness among neighbouring houses about the cleanliness and swachbharath activities. The offline activities in the college started from August 2021 onwards after the completion of the end sem exams in the first week of August 2021. From then onwards the NSS activities were organized in a planned way.

Plantation of saplings conducted during special camps and during 2022 July 1st week more intensely with aim of plantation of 400 saplings in and around the premises of maddilapalem area and hostel premises of the college with the coordination of Haritha Krishna Ecoclub and green climate organization . as part of the programme plant saplings were distributed to students for planting them in their residential and housing colony areas. Student Sarjan Raj taken initiative of planting the trees in hostel premises near visalakshi nagar of Visakhapatnam.

The environmental consciousness activities include removal of plastics from the campus weekly once in Saturdays by nss volunteers. Harith Krishna ecoclub made a best practice of collecting plastic bottles and pens every week with the NSS volunteers and in April 2022 an environment friendly NGO organization visited campus and collected all the pens and bottles collected. Awareness on environment is a regular activity in the class room as they have course environment studies

Swatch bharath/ swatch sankalpam:

This activity started in the college campus from September 2021 onwards . The main objective of the swatch sankalpam is to make campus LITTER FREE AND GARBAGE FREE. Principal Dr I. Vijayababu garu made me the coordinator of swatch sankalpam. A team of 10 teaching faculty including NSS Programme officers are part of this activity.

In the college there are 34 class rooms and 4 garden areas. I make the students in to swatchtha warriors from each class room and disbursed the responsibility of making their premises clean and neat. From September onwards monthly 3 to 4 times class room cleaning , plastic removal, litter and garbage free premises activities have been doing by the volunteers. This is a compulsory regular activity.

As component of swatch sankalpam and swatch bhaarath the NSS coordinator S. Haranadh garu visited our campus to observe the swatch sankalpam activities in the month of April 2022.

Implementation of Government Programmes:

In the year 2021-2022 an important program has been given by the honorable Priminister of India Sri Narendra Modi garu to organize AZADI KA AMRUTH MAHOTSAV programme with action plan given to the government organizations. In the month of August AKAM activities and action plan was guided to us by NSS Coordinator of Andhra University Dr S. Haranadh and we all followed the action plan. It included **awareness on the freedom fighters** sacrifices, **awareness on fit india, clean village and green village, catch the rain** , awareness on culture and heritage of India.

Rally: AKAM 2021: A Rally on catch the rain theme was conducted with the collaboration of 14 colleges from Visakhapatnam. The rally started in Andhra University Registrar office and the rally started by the Honorable Vice chancellor Prof. P.G.D.V.Prasada Reddy garu, Registrar Prof. Krishna Mohan garu and the professors from AU engineering colleges. It was organized on 8th August 2021.

2K Run: AKAM activity in the month of September 2021 included a 2Krun from YMCA TO RK BEACH BY NSS volunteers. This programme was organized by NEHRU YUVAKENDRA and NSS ANDHRA UNIVERSITY. Programme coordinator Dr Prof. S. Harnadh YSR leaders Vamsikrishna and NYK members initiated the programmes. Later students performed 2k walk. SPECIAL CAMP PROGRAMME

NSS Special Camp (20/02/2022 to 26/02/2022) Report

Area of camp: **RAJAKA VEEDHI of Maddilapalem area**

National Service Scheme Special camp is a seven day program organized in adopted slum of the chosen area by the Program officer with a prior permission from the Principal of the college, NSS Cell of the concerned University to which the college is affiliated. This programme aims at conducting community service activities such as swachh bharath, plantation, health awareness, socio economic survey of the adopted slum and organizing free medical camp in the area. The present camp is conducted in the adopted slum of maddilapalem area to inculcate awareness on the community issues, swachh bharath, water conservation, health and hygiene, Plantation and other government programs by the selected nss volunteers (49/Unit) to the residents of the adopted slums.

Prior to start of special camp a pre camp visit is performed by NSS program officers and requested the respective area in charge, community leaders , and dwakra members and took permission for organizing camp in the respective slum areas. The camp was then planned and student lists were prepared as per the NSS special camp guidelines. In addition day wise program sheets were also prepared for proper execution of the camp.

Each day during camp will have two sessions (morning and afternoon session) with a lunch break for one hour. The activities planned in morning session include cleaning of the slum, Plastic free environment, Swachh pakhwada, Awareness programs on UNICEF objectives (Child marriages, Child trafficking, Nutrition and Anaemia issues, Drug abuse) village socio economic survey , conducting free medical checkups, Eye camps and rallies on drug abuse and other community aspects. After the morning session lunch will be served for all the volunteers and invited guests.

In the afternoon session Awareness orientation programs on life skills, Communication skills, Environmental issues, Blood donation activities and UNICEF objectives will be organized for the NSS volunteers by renowned resource persons from various educational institutes. After the sessions the volunteers perform skits on social issues like child marriages , child trafficking etc and also participate in cultural activities by exhibiting their talents. Thus the special camp program is very useful for improving the personality development of the NSS Volunteers.

The present camp was organized in a community hall of Ambedkar colony near to Rajaka Veedhi of HB colony. The President of the community hall Sri P. Venkateswarrao garu helped us in giving the shelter for conducting various NSS activities during camp.

Day 1: Date: 20/02/2022

On Day 1 Inaugural session was organized in Ambedkar Bhavanam of Ambedkar Colony near the adopted slum Rajaka veedhi of HB colony of Visakhapatnam. Invitees for the program are the Principal of Dr V.S. Krishna Govt. Degree College, Dr I. Vijayababu garu -President of the Function, Dr S. Haranadh garu , NSS Coordinator- Andhra University, Sri Molli Apparao garu, Corporator of Maddilapalem, Sri P.Venkateswarrao, President of Ambedkar Bhavanam, Vice Principal of the college, Dr Chada Sastry garu, IQAC Coordinator Dr Ch. Lalitha who graced the camp. All the dignitaries addressed the NSS volunteers and motivated them with their speeches. All the volunteers gathered at ambedkar bhavan Bhavan by 8.30 AM .and made arrangements by tying banners and posters for inaugural function.

After the inauguration unit wise few volunteers were taken and Committees were framed by the Programme officers. Different committees of the Special camp are 1. Swachh Bharath committee 2. Discipline Committee 3. Attendance Committee 4. Food and water service Committee 5. Programm execution committee 6. Cultural Committee.

On day 1 all the volunteers performed Swatchtha Programe in the govt degree college by cleaning all the 30 class rooms and inner campus of the college. It was a big task and several tools like broom sticks,

plant cutters to cut the weeds in the garden areas were used. Volunteers were given gloves and dustbin covers to collect the scrap and wastes. The whole garbage was collected by GVMC van. This activity is mainly done in the college because the college is near to the adopted slums area. After swachtha program the students learned the NSS song and other patriotic songs.

Day 2 Date: 21/02/2022

Swach bharath was a major task is given to clean the adopted slum premises of Ambedkar colony. The camp place cleaning is a daily program. Before the forenoon session starts all the students do prayer Vandemataram and start doing the allotted works. To clean the camp area broom sticks were used by all the volunteers and for about three hours students worked in the allotted place. The team leaders divided the volunteers into groups and were given gloves and broom sticks for cleaning the streets. Students collected plastic, cleared the blocked drainages, swepted the roads and few of them performed door to door campaign about swach bharath.

Lunch was given as per the schedule. After the community service and lunch a talk was organized for the volunteers on **THE THEME OF NSS and role of youth in National Service Scheme**. Dr Manikya kumara garu a state NSS program officer awardee from St.Joseph Degree College to deliver a lecture on the theme given. After the talk student interaction was done and volunteers honoured madam with boquet and fruits. After the talk students performed folk dances depicting the culture of Andhra Pradesh.

Day 3 : 22/02/2022

As programmed in the plan day 3 started with a prayer and cleaning of the premises. Later all the students were given the **village survey format**. Total 4 slums were choosen around the ambedkar colony for all the units of the special camp. They are 1. KRM colony 2. Relli veedhi3. Rajaka veedhi 4. Ambedkar colony.

The survey of around 100 houses was performed on the whole day. The survey include key points about the govt schemes allotment in time or not any issues regarding the health , covid vaccination, other important issues.The student volunteers performed this activity very sincerely and collected the data.

After lunch again students involved in collecting the data and also gave awareness to the residents about health and hygiene , child marriages, compulsory education to all children and govt shemes for improving the lives of the youth. End of Day 3 Students performed skits and other cultural activities.
