## **Career Guidance Cell**

Establishing a career guidance cell within the Department of Chemistry for NAAC accreditation is a proactive step toward enhancing the academic and professional development of students. Department of chemistry has immense pleasure to conduct the orientation programmes for various entrance examinations such as National level and State level. However, the department of chemistry has established the carrier guidance cell to give the coaching on various entrance examinations. The classes are regularly conducted and taught by our highly potential and well qualified faculties in the Chemistry. We are very particular about student community to create interest on higher studies to pursue their Post Graduation and send them into prominent institutes through out our country as well as abroad. Hence, the department of chemistry is carefully observed as well as taken utmost care of the syllabus of various entrance exams. The faculty members of chemistry are well distributed the syllabus to teach particular concept to the students. To know the knowledge of the students , we frequently conduct the tests at the end of the completion of the particular or overall topics which is covered by the lecturers. In addition to that the classes are not only taught by our chemistry faculty but also other department faculties such as Mathematics and Physics .

## **DEPARTMENT OF CHEMISTRY** **Minutes of the meeting**

Departmental meeting was organized on 04/09/2018 at department of Chemistry under the chairpersonship of Dr K B Kumar Naik to discuss the following agenda.

### **Agenda:**

- To organize the Career Counseling Sessions
- To set up the free coaching for IIT-JAM, CUCET , APPGCET and other competitive examinations
- To conduct Skill Development Workshops
- To facilitate Industry Interaction Programs
- To provide Employability skills Development Programs
- To establish Career Awareness Campaigns
- To maintain Feedback Mechanism

## Departmental meeting – 2018-2019

The department of chemistry was successfully conducted a meeting to discuss the agendas and established various committees. After a brief discussion on the agendas the following resolutions have been passed by the committee.

1. To seek permission from the principal to organize Career Awareness Program and Career Counseling Session at PG Seminar Hall on 04/09/2018
2. To prepare a circular and circulate it among all the classes.
3. To invite Prof.G Nageswara Rao, Vice-chancellor, AU

## Departmental meeting – 2019-2020

The department of chemistry was successfully conducted a meeting to discuss the agendas and established various committees. After a brief discussion on the agendas the following resolutions have been passed by the committee.

1. To seek permission from the principal to conduct free coaching for IIT-JAM, CU-PGCET AND APPGCET for chemistry students
2. To prepare a circular as well as a Broacher and circulate it among all the classes.

## Career Guidance

Establishing a career guidance cell within the Department of Chemistry for NAAC accreditation is a proactive step toward enhancing the academic and professional development of students. Department of chemistry has immense pleasure to conduct the orientation programmes for various entrance examinations such as National level and State level. However, the department of chemistry has established the carrier guidance cell to give the coaching on various entrance examinations. The classes are regularly conducted and taught by our highly potential and well qualified faculties in the Chemistry. We are very particular about student community to create interest on higher studies to pursue their Post Graduation and send them into prominent institutes through out our country as well as abroad. Hence, the department of chemistry is carefully observed as well as taken utmost care of the syllabus of various entrance exams. The faculty members of chemistry are well distributed the syllabus to teach particular concept to the students. To know the knowledge of the students , we frequently conduct the tests at the end of the completion of the particular or overall topics which is covered by the lecturers. In addition to that the classes are not only taught by our chemistry faculty but also other department faculties such as Mathematics and Physics .

## **DEPARTMENT OF CHEMISTRY** **Minutes of the meeting**

Departmental meeting was organized on 11/08/2020 at department of Chemistry under the chairpersonship of Dr K B Kumar Naik to discuss the following agenda.

### **Agenda:**

- To organize the Career Counseling Sessions
- To set up the free coaching for IIT-JAM, CUCET , APPGCET and other competitive examinations
- To conduct Skill Development Workshops
- To facilitate Industry Interaction Programs
- To provide Employability skills Development Programs
- To establish Career Awareness Campaigns
- To maintain Feedback Mechanism

# IIT-JAM Entrance Coaching

We have conducted the IIT-JAM entrance coaching for B.Sc. Chemistry Students, Year : 2020-2021

First Law of Thermodynamics

Glenn Research Center

State 1

State 2

$E = \text{Internal Energy}$

$E_2 - E_1 = Q - W$

Any thermodynamic system in an equilibrium state possesses a state variable called the internal energy (E). Between any two equilibrium states, the change in internal energy is equal to the difference of the heat transfer into the system and work done by the system.

Participants:

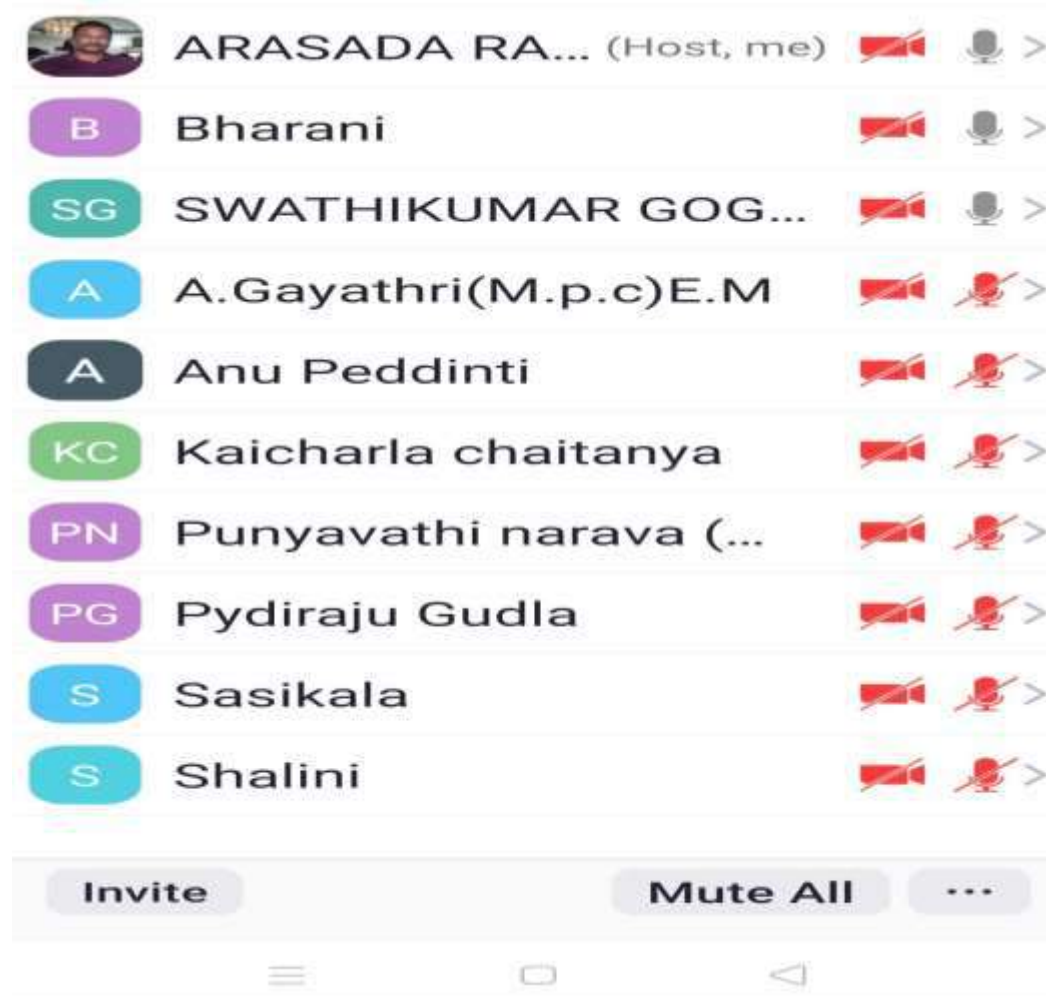

- Boyina Vennela
- Sasi kumar Bo...

# Career Orientation programme On Industrial Training 2020-2021

The Programme was mainly designed to create awareness on Industrial training and also to know the basic knowledge in various industries in India as well as Abroad.

The screenshot displays a Google Meet interface with two side-by-side views of a presentation. The left view shows a slide titled "Infrared Spectroscopy" by Sri YEDURU VENKATESH, LUBE QUALITY CONTROLE OFFICER, IOCL-CSL Chennai. The right view shows a slide titled "Vibrational (Infrared, IR) Spectroscopy" with a diagram of the electromagnetic spectrum and a list of regions.

**Slide 1: Infrared Spectroscopy**

By  
**Sri YEDURU VENKATESH**  
LUBE QUALITY CONTROLE OFFICER  
IOCL-CSL Chennai

Chemistry can be learned with pleasure not with pressure

**Slide 2: Vibrational (Infrared, IR) Spectroscopy**

- It is the technique which is used to identify the chemical compounds based on the infrared radiation absorbed by the compounds.
- The most common technique used is absorption spectroscopy.
- Most of the molecules absorb the radiation in the infrared region, i.e.,  $2.5 - 25 \mu\text{m}$  or  $4000 - 400 \text{ cm}^{-1}$  and that molecules have specific frequencies at which they vibrate.
- A good information about the functional groups present in molecules.

**Regions of electromagnetic spectrum:**

- Visible:  $400 - 700 \text{ nm}$
- Ultraviolet:  $10 - 400 \text{ nm}$
- Infrared:  $700 \text{ nm} - 1 \text{ mm}$

**IR region is subdivided into 3 sub-regions:**

- Near IR region (Nearest to the visible)  
 $700 \text{ nm} - 2.5 \mu\text{m}$  ( $12,800 - 4000 \text{ cm}^{-1}$ )
- Mid IR region  
 $2.5 - 25 \mu\text{m}$  ( $4000 - 400 \text{ cm}^{-1}$ )
- Far IR region  
 $25 - 1000 \mu\text{m}$  ( $400 - 10 \text{ cm}^{-1}$ )

## **Career Guidance Cell**

Establishing a career guidance cell within the Department of Chemistry for NAAC accreditation is a proactive step toward enhancing the academic and professional development of students. Department of chemistry has immense pleasure to conduct the orientation programmes for various entrance examinations such as National level and State level. However, the department of chemistry has established the carrier guidance cell to give the coaching on various entrance examinations. The classes are regularly conducted and taught by our highly potential and well qualified faculties in the Chemistry. We are very particular about student community to create interest on higher studies to pursue their Post Graduation and send them into prominent institutes through out our country as well as abroad. Hence, the department of chemistry is carefully observed as well as taken utmost care of the syllabus of various entrance exams. The faculty members of chemistry are well distributed the syllabus to teach particular concept to the students. To know the knowledge of the students , we frequently conduct the tests at the end of the completion of the particular or overall topics which is covered by the lecturers. In addition to that the classes are not only taught by our chemistry faculty but also other department faculties such as Mathematics and Physics .

## **DEPARTMENT OF CHEMISTRY** **Minutes of the meeting**

Departmental meeting was organized on 04/10/2021 at department of Chemistry under the chairpersonship of Dr A V Ramesh to discuss the following agenda.

### **Agenda:**

- To organize the Career Counseling Sessions
- To set up the free coaching for IIT-JAM, CUCET , APPGCET and other competitive examinations
- To conduct Skill Development Workshops
- To facilitate Industry Interaction Programs
- To provide Employability skills Development Programs
- To establish Career Awareness Campaigns
- To maintain Feedback Mechanism

## Departmental meeting – 2021-2022

The department of chemistry was successfully conducted a meeting to discuss the agendas and established various committees. After a brief discussion on the agendas the following resolutions have been passed by the committee.

1. To seek permission from the principal to organize Career Awareness Program and Career Counseling Session at G-11 Seminar Hall on 09/12/2021
2. To prepare a circular and circulate it among all the classes.
3. To invite Dr M. Siva, Assistant Professor, Louisiana University in USA as Extension Lecture.

## **DEPARTMENT OF CHEMISTRY** **Minutes of the meeting**

Departmental meeting was organized on 02/08/2022 at department of Chemistry under the chairpersonship of Dr A V Ramesh to discuss the following agenda.

### **Agenda:**

- To organize the Career Counseling Sessions
- To set up the free coaching for IIT-JAM, CUCET , APPGCET and other competitive examinations
- To conduct Skill Development Workshops
- To facilitate Industry Interaction Programs
- To provide Employability skills Development Programs
- To establish Career Awareness Campaigns
- To maintain Feedback Mechanism

## Departmental meeting – 2022-2023

The department of chemistry was successfully conducted a meeting to discuss the agendas and established various committees. After a brief discussion on the agendas the following resolutions have been passed by the committee.

1. To seek permission from the principal to organize Career Awareness Program and Career Counseling Session at G-11 Seminar Hall on 22/08/2022
2. To prepare a circular and circulate it among all the classes.
3. To invite Dr. P Titupathi Rao, Assistant Professor, Bar-Ilan University, Israel as Extension Lecture.
