EVENT ORGANIZED REPORT

(2022-2023)

Name of Department	HARITHA KRISHNA ECO CLUB
Name of Event Organized	AWARENESS ON MEDICINAL PLANTS AND DISTRIBUTION OF MEDICINAL PLANTS
Date of Event Organized	06.07.2022
Name of the coordinator of the Event	Dr. D.S. MADHAVA RAO
No. of Participant (Student +Staff)	75
Objective of the Event	<p>Conservation of Medicinal Plants: One of the primary objectives is to conserve and protect endangered or rare medicinal plant species. By distributing these plants to areas where they can thrive, the goal is to prevent their extinction.</p> <p>Promotion of Traditional Medicine: Distributing medicinal plants can support the practice of traditional medicine. Many indigenous cultures rely on these plants for their healing properties, and by ensuring their availability, these traditions can be preserved.</p> <p>Access to Medicinal Resources: Improve access to medicinal plants for communities with limited access to modern healthcare. This is particularly important in remote or underserved areas where traditional medicine is the primary healthcare option.</p>

Outcome of the Event	<p>Increased Availability: The primary outcome of distributing medicinal plants is to make them more widely available to communities, traditional healers, and researchers. This can result in improved healthcare and well-being.</p> <p>Conservation: The distribution of endangered medicinal plants can contribute to their conservation by expanding their habitat and increasing the overall population of these species.</p> <p>Economic Benefits: Local communities and individuals involved in cultivating and distributing medicinal plants can benefit economically through the sale of plant products. This can reduce poverty and improve livelihoods.</p>

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	DEPARTMENT OF HINDI
Name of Event Organized	HINDI DIWAS- ESSAY WRITING COMPETITIONS
Date of Event Organized	14-.09-2022
Name of the coordinator of the Event	Dr. S.SURYAVATHI
No. of Participant (Student + Staff)	65
Objective of the Event	<p>Hindi Diwas," is celebrated on September 14th every year in India. This day is observed to commemorate the adoption of Hindi as one of the official languages of India. The objectives and outcomes of Hindi Day celebration include:</p> <p>Promoting Linguistic Unity: Hindi Day aims to promote linguistic unity in a diverse country like India, where people speak multiple languages. It encourages the use of Hindi as a common language that can bridge the linguistic divide and bring people together.</p>

<p>Description of the event</p>	<p>On the occasion of Hindi Day, a guest lecture was organized by the Hindi Department. The Principal Dr.I.Vijay Babu chairman of the meeting told about the usefulness of Hindi language at the national level. The chief guest of this program Dr. Sheikh Banerjee Assistant Professor HOD dept. of Hindi , who came from the P V K S Gov.Degree college Chittoor A.P. gave her lecture on the topic of international and national status and employment prospects of the official language Hindi. All the Lecturers from other language departments were present in this program.</p>
<p>Outcome of the Event</p>	<p>Hindi Day celebration plays a crucial role in preserving the linguistic and cultural diversity of India while promoting the use and importance of the Hindi language. It reminds people of the historical significance of Hindi and encourages the nation to come together in the spirit of linguistic unity.</p>

EVENT ORGANIZED REPORT

(2022-2023)

Name of Department	DEPARTMENT OF POLITICAL SCIENCE
Name of Event Organized	RASHTRIYA EKTA DIWAS
Date of Event Organized	31.10.2022
Name of the coordinator of the Event	Smt. P. DHANA LAKSHMI
No. of Participant (Student +Staff)	60

<p>Objective of the Event</p>	<p>The primary objectives</p> <ol style="list-style-type: none"> 1. Promoting National Unity: The main objective of Unity Day is to promote and celebrate the idea of national unity and integrity. It serves as a reminder of the importance of a united India. 2. Commemorating Sardar Patel: The day pays tribute to Sardar Vallabhbhai Patel, who is often referred to as the "Iron Man of India" for his pivotal role in integrating the princely states into a united India after gaining independence from British rule. 3. Spreading Awareness: Unity Day is an occasion to educate people, especially the younger generation, about the historical significance of Sardar Patel's efforts in uniting the nation. <p>It aims to maintain the spirit of unity in diversity among the people. It reminds the people of the efforts and hardships that Sardar Patel and other activists had put into the unification of India.</p>
<p>Description of the event</p>	<p>Unity Day in India is also known as "Rashtriya Ekta Diwas" and is celebrated on October 31st each year. It marks the birth anniversary of Sardar Vallabhbhai Patel, who played a crucial role in the unification of India after independence. Principal Dr.I.Vijaya Babu spoke about the contribution and efforts of Sardar Vallabhai Patel to maintain unity in india. Political science HOD P.Dhanalakshmi, Tejaswi, Dr.Ch.S.Anuradha, Ch.Lakshmi and other lecturers and students participated in tne programme.</p>
<p>Outcome of the Event</p>	<p>The students could appreciate the efforts of Patel and this might have fulfilled the outcomes may include a heightened sense of national pride and unity, greater awareness of India's history, and a commitment to preserving the nation's integrity and diversity. It serves as a platform for citizens to come together to celebrate and reaffirm their commitment to the unity and integrity of India.</p>

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	HEALTH CLUB
Name of Event Organized	WORLD CANCER DAY
Date of Event Organized	03.02.2023
Name of the coordinator of the Event	Dr. Ch.Lalitha
Name of the resource person	Dr. Rakesh Reddy, APOLLO HOSPITAL
No. of Participant (Student +Staff)	154

<p>Objective of the Event</p>	<p>Objectives:</p> <ol style="list-style-type: none"> 1. Education and Information Dissemination: <ul style="list-style-type: none"> - To provide accurate and up-to-date information about different types of cancer, their causes, symptoms, and risk factors. - To inform the public about the importance of early detection and regular screenings. 2. Promoting Healthy Lifestyles: <ul style="list-style-type: none"> - To encourage individuals to adopt and maintain healthy lifestyles that reduce cancer risks, such as quitting smoking, eating a balanced diet, and engaging in regular physical activity. 3. Encouraging Regular Screenings: <ul style="list-style-type: none"> - To motivate individuals to undergo regular cancer screenings and check-ups, depending on their age, gender, and risk factors.
<p>Description of the event</p>	<p>In this programme Dr. Rakesh Reddy gave awareness on cancer and told that healthy lifestyle and screening are vital tools in the fight against cancer, as it empowers individuals to take control of their health, make informed decisions, and actively participate in efforts to prevent and detect cancer at an early, treatable stage. It also plays a crucial role in reducing the fear and misunderstanding associated with cancer, ultimately leading to better support for patients and their families. Vice Principal, lecturers and students participated in this programme.</p>

Outcome of the Event

Outcomes:

1. Increased Awareness:

- Greater public awareness of cancer types, symptoms, risk factors, and prevention measures.

2. Behavior Change:

- Adoption of healthier lifestyles, including smoking cessation, improved dietary choices, and increased physical activity.

3. Increased Screening Rates:

- More people seeking regular cancer screenings and check-ups, potentially leading to earlier diagnosis and better treatment outcomes.

4. Reduced Stigma:

- Reduced fear, discrimination, and social isolation associated with cancer, leading to improved support for cancer patients and survivors.

5. Improved Access to Healthcare:

- Enhanced access to cancer care facilities and support services, ensuring that more individuals receive timely and appropriate medical attention.

Staff circular

3.2.2022

It's hereby informed to all the Teaching and non-teaching staff members that in view of "World Cancer Day" A health Awareness talk is conducted by Dr. Laksh Reddy Boga, Apollo Hospital on 3.2.2022 in G-11 at 3.00 pm.

In this regard all the staff members are requested to attend the programme without fail

AIM

The novel findings on Biosystems are relying on advanced techniques, which generate enormous data. The extraction of the relevant data from this available data is through the utilization of the Bioinformatics tools. Bioinformatics is an interdisciplinary field that develops computational methods and software packages for analyzing biological data. It has been used for in silico analyses of biological queries using mathematical and statistical techniques. This emerging discipline has a great scope in pharmaceuticals and scientific studies, which offer various opportunities after specialization. This workshop aims to provide a basic understanding of bioinformatics and intends to provide a deep sense of interest in students for future career options.

LEARNING OUTCOMES

Introduction to biological databases and tools. Getting acquainted with concept of sequence alignment. Learn how to do biological data acquisition, data mining, and analysis.

TOPICS TO BE COVERED

1. Introduction to Biological Databases: Types (NCBI, EMBL, DDBJ PDB) and their significance.
2. Retrieve, analyze and visualize DNA/RNA/ Protein sequences from NCBI & PDB.
3. Sequence Alignment: Introduction & Types: Pairwise Alignment & Multiple sequence alignment: ClustalW, COBOL, Tools.
4. Sequence Analysis using BLAST: Different types of BLAST Tools/Techniques, E values.
5. Phylogenetics and Evolutionary Tree Construction: Analysis and Visualization.

ABOUT THE COLLEGE

Dr. V. S. Krishna Govt. Degree College (A) is a nodal premier institution in the City of Destiny, situated in a Serene atmosphere and located in Maddilapalem adjacent to N.H. 16 was established in 1968 and named after Dr. Vasireddy Sri Krishna, an eminent educationist and former Vice-chancellor of Andhra University. The college is developed into a very important centre for higher Education in the District. The college was re-accredited with A Grade at 3.11 CGPA by National Assessment and Accreditation Council (NAAC) in 2017 for its consistent performance in providing quality education and producing best results over the last four decades. The college has the recognition of U.G.C. under 2(f) & 12(b) and is affiliated to Andhra University. The college was conferred Autonomous status in 2011 being the first Govt. College to attain the status in Zone -I. Dr. V. S. Krishna Govt. Degree & P.G. College (A) offers 21 Graduate and 7 post Graduate courses. The college has 82 teaching and 32 Non-Teaching positions besides separate faculty for post Graduate courses. There are 50 Doctorates in the Teaching Faculty. Five of them are Best Teacher Awardees by the State Government. The college has buildings and playground spread over 6.75 Acres with Well-equipped Laboratories. This Identified College having Centre for Research Affiliated to Andhra University with 23 Research Directors.

World Bio-fuel Day celebrations on 10-08-2023 by Department of Botany

The Department of Botany has celebrated “ World Bio-fuel Day” on 10-08-2023 to create an awareness about the importance of Bio-fuels (Non Fossil Fuels) as an alternate to the conventional fossil fuels. This day honours the research experiments of Sir Rudolf Diesel who ran the engine with peanut oil.

Biofuels are environment friendly and not hazardous which are now used in place of Fossil fuels. The Principal Dr. I Vijaya Babu garu, addressed the students by explaining the importance of Bio-fuels and protection of Environment. Botany In-Charge Dr. B. Chandramouli and faculty Dr. Swami Naidu, Dr. S. Padmavathi, Dr. V. Padmaja, and Dr. AHD Pushpalatha were participated in the program and explained the importance of Bio-fuels and Fossil fuels to students to protect our mother environment.

Dr V. S. KRISHNA GOVT. DEGREE AND PG COLLEGE (A)

Maddilapalem, VISAKHAPATNAM 530 013, Andhra Pradesh

(2022-2023)

Name of Department	Mathematics
Name of Event Organized	Science Exhibition
Date of Event Organized	28-02-2023
Name of the coordinator of the Event	Dr. K. Ravi Babu
No. of Participant (Student +Staff)	56
Objective of the Event	Providing an opportunity for visitors to learn about scientific concepts, principles, and discoveries in an engaging and interactive manner. Sparking curiosity and interest in science among attendees, especially students, by showcasing the excitement and relevance of scientific research and innovation.
Description of the event	Professor P.V.G.D. Prasad Reddy, the Vice Chancellor of Andhra University, graced the occasion as the chief guest. In his address, he emphasized the importance of offering visitors an immersive platform to delve into scientific concepts, principles, and breakthroughs. He highlighted the significance of igniting curiosity and fostering a deep interest in science, particularly among students, through dynamic and interactive displays that showcase the thrilling realms of scientific research and innovation.
Outcome of the Event	Attendees are inspired to ask questions, seek further information, and explore scientific topics beyond the exhibition, fostering a lifelong curiosity about the natural world and scientific inquiry.

UNNAT BHARAT ABHIYAN

उन्नत भारत अभियान

Brief Report on Activities 2022-23

From July to March

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions. The conceptualization of Unnat Bharat Abhiyan started with the initiative of a group of dedicated faculty members of the Indian Institute of Technology (IIT) Delhi working for a long in rural development and appropriate technology. The concept was nurtured through wide consultation with the representatives of a number of technical institutions, Rural Technology Action Group (RuTAG) coordinators, voluntary organizations, and government agencies, actively involved in rural development work, during a national workshop held at IIT Delhi in September 2014. The workshop was sponsored by the Council for Advancement of People's Action and Rural Technology (CAPART), Ministry of Rural Development, Govt. of India.

GARIPETA		

The above villages have been chosen for

conducting awareness campaigns or activities to implement the vision of Unnat Bharat Abhiyan.

List of Activities for 2022-2023

S.No	Date	Name of the Activity	Brief Description
1.	12-04-2022	Nasha Mukth Bharath	Nasha Mukti Bharat Abhiyan, also known as the Drug-Free India Campaign, is an initiative launched by the Government of India to combat drug abuse and addiction across the country. It aims to create awareness about the harmful effects of drugs, promote a drug-free lifestyle, and provide support and rehabilitation for individuals struggling with addiction.
2.	09-06-2022	Campus Clean	Students participated in this activity of Campus Clean
3.	21-06-2022	International Yoga Day	International Yoga Day, observed annually on June 21st, was established by the United Nations in 2014 to celebrate the ancient practice of yoga and its numerous health benefits. Proposed by Indian Prime Minister Narendra Modi, this day aims to raise global awareness about the holistic approach of yoga to health and well-being. Events and activities such as yoga sessions, workshops, and educational programs are held worldwide, promoting physical, mental, and spiritual harmony.

4.	30-07-2022	Campus Clean	College campus clean activity is organized to improve physical environment
5.	06-08-2022	Swachhtha Programs	UBA college campus volunteers participated in swatch activities.
6.	10-08-2022	HargharThiranga	Student Volunteers participated in the rally
7.	15-08-2022	IndependenceDay celebrations (Azadi Ka Amrit Mahotsav)	Student participated in celebrations with piety.
8.	2-10-2022	Gandhi Jayanthi	Collaborated in conducting Gandhi Jayanthi Celebrations and paid homage.
9.	1-12-2022	Aids Day	Collaborated in organizing Aids Day activities.
10.	12-01-2023	Plantation in Campus	Student volunteers planted a few Saplings to create awareness on Green India.
11.	08-03-2023	International Women's Day	UBA also participated in Women's Celebrations
12.	16-03-2023	UBA Volunteers conducted various activities in adopted villages.	Students actively took part in this survey. They also conducted awareness rallies in these villages.

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	CHEMISTRY
Name of Event Organized	Azadi Ka Amrit Mahotsav
Title of the Event	Awareness on Contributions of Indian Scientists in Independent India
Date of Event Organized	12-08-2022
Name of the coordinator of the Event	Dr. A.V.Ramesh
Class of the Participant	II BSc (MPC, BZC)
No. of Participant (Student +Staff)	134
Objective of the Event	To celebrate the contributions of Indian scientists towards nation-building since independence, and to inspire the younger generation to pursue careers in science and innovation.
Description of the event	This event will highlight the significant contributions and accomplishments of Indian chemists in various fields such as organic chemistry, inorganic chemistry, physical chemistry, medicinal chemistry, and materials science. Special emphasis will be placed on highlighting the role of chemistry in addressing

	critical national challenges, including healthcare, agriculture, environmental sustainability, energy, and materials development.
Outcome of the Event	The event will inspire and motivate students, researchers, and professionals to pursue careers in chemistry and related fields. This will serve as a platform to honor India's rich legacy in chemistry and inspire future generations to continue the legacy of scientific discovery and innovation.

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	Women Empowerment Cell
Name of Event Organized	Sensitisation Workshop on 1. SEX RATIO and Save the Girl Child 2. Importance of PC & PNDT Act
Date of Event Organized	27-07-2022
Name of the coordinator of the Event	Dr P.Sreevani
Class of the Participant	Girl students
Objective of the Event	To Sensitise Girl students on SEX RATIO and Save the Girl Child. To emphasize the importance of PC & PNDT Act
Description of the event	<p>1. Dr Samatha District Coordinator, RBSK. O/o DM & HO, Visakhapatnam.</p> <p>2. Dr B Umavathi Health Officer O/o DM & HO, Bheemunipatnam attended the programme.</p> <p>The PC & PNDT Act, which stands for the Pre-Conception and Pre-Natal Diagnostic Techniques (Prohibition of Sex Selection) Act, is a legislative measure enacted in India in 1994 to address the issue of sex-selective abortions and female feticide. The act prohibits the use of prenatal diagnostic techniques for determining the sex of the fetus for non-medical reasons and regulates the use of such techniques for legitimate medical purposes only.</p>
Outcome of the Event	The sex ratio and saving the girl child, coupled with the importance of legislative measures like the PC & PNDT Act, can lead to a more balanced and equitable society where the rights and dignity of all individuals, regardless of gender, are respected and protected.

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	Women Empowerment Cell & Inclusive centre
Name of Event Organized	DEEN DAYAL ANTYODAYA YOJANA ON CHILD MARRIAGES. DRUG ABUSE, CHILD MARRIAGES, Save GIRL CHILD ETC
Date of Event Organized	02-12- 2022
Name of the coordinator of the Event	Dr P.Sreevani
Class of the Participant	Girl students
Objective of the Event	To educate students regarding Child line and childrens problems
Description of the event	Childline is a dedicated helpline service established to provide support and assistance to children in distress or in need of protection. It operates as a toll-free emergency helpline accessible 24/7, providing children with a safe and confidential platform to report abuse, seek assistance, or simply talk to a trained counselor. Childline services are available in many countries around the world, often operated by government agencies, non-profit organizations, or in collaboration with other child welfare organizations.
Outcome of the Event	Childline plays a crucial role in combating child trafficking by providing a lifeline for trafficked children, offering them protection, support, and hope for a better future.

Circular
 6-3-2023

This is to inform all the
 Teaching and Non-Teaching staff members
 that there will be a "International
 Women's Day" Celebrations at 11.30 AM
 tomorrow i.e. 07.03.2023 in Seminar
 Hall.

Chief Guest: Prof. K. Nirupama Rani
 Former Vice-Chancellor of
 Adikavi Nannaya University,
 Rajamahendravaram.

Hence all are requested to attend
 programme without fail and make it
 grand success.

* After the Lunch, In view of "International
 Women's Day" some fun games and activities
 will be conducted, so all the staff
 requested to participate and grab the
 surprise gifts*.

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	PHYSICS
Name of Event Organized	Sir C.V. Raman 134th Birth Anniversary Celebrations 2022
Title of the Event	Sir C.V. Raman 134th Birth Anniversary Celebrations 2022 Chief Guest: Dr. G. Shankara Narayana
Date of Event Organized	07-11-2022
Class of the Participant	III BSc MPC , MPCS & PHYSICS HON
No. of Participant (Student +Staff)	178
Objective of the Event	<p>To honor the legacy of the Nobel Laureate and to inspire students by highlighting his contributions to the field of physics.</p> <p>To celebrate the achievements of Sir C.V. Raman and his contributions to science, particularly in the field of light scattering.</p> <p>To motivate students to pursue excellence in physics by showcasing Raman's work and its impact on modern science.</p> <p>To Promote the importance of research and innovation in physics among undergraduate students.</p>

<p>Description of the event</p>	<p>Programme: Sir C.V. Raman 134th Birth Anniversary Celebrations 2022</p> <p>Venue: G – 11 @ Dr. V.S. Krishna Government Degree College (A), Visakhapatnam</p> <p>Chief Guest: Dr. G. Shankara Narayana</p> <p>The event began with an inaugural ceremony that included the President's message, speeches from prominent physicists.</p> <p>Students actively participated and were excited by the talks.</p>
<p>Outcome of the Event</p>	<p>the celebration of Sir C.V. Raman's 134th Birth Anniversary in 2022 was a resounding success, providing undergraduate physics students with inspiration, knowledge, and opportunities to explore the fascinating world of physics.</p>

EVENT ORGANIZED REPORT
(2022-2023)

Name of Department	PHYSICS
Name of Event Organized	SCIENCE DAY CELEBRATIONS-2023
Title of the Event	SCIENCE DAY CELEBRATIONS-2023
Date of Event Organized	28-02-2023
Class of the Participant	ALL STUDENTS
No. of Participant (Student +Staff)	500
Objective of the Event	<p>To deepen students' engagement with physics and to showcase the role of innovation and research in advancing the field.</p> <p>To encourage students to think creatively about solving real-world problems through physics.</p> <p>To Recognize and celebrate the contributions of physicists and the impact of their work on society.</p>

<p>Description of the event</p>	<p>Programme: National Science Day Celebrations 2023</p> <p>Venue: G – 11 @ Dr. V.S. Krishna Government Degree College (A), Visakhapatnam</p> <p>Organized: By Department of Physics along with Departments of Chemistry, Zoology, Botany, Mathematics, Biotechnology, Comp. Science, Biochemistry, Microbiology</p> <p>Chief Guest: Dr. Dr. N. Rambabu</p> <p>Lead Auditor and Technical Auditor</p> <p>NABL, QCI</p> <p>Ministry of Commerce, GoI.</p> <p>Guest of Honor: Dr. P. Gopala Krishna</p> <p>Asst. Professor</p> <p>Department of Physics</p> <p>GITAM University,</p> <p>Visakhapatnam</p> <p>The 2023 Science Day celebrations featured a range of events and activities tailored to engage students namely Science Exhibition, Poster presentation, model making etc.</p> <p>Students from nearby schools actively participated in the Science Exhibition.</p>
<p>Outcome of the Event</p>	<p>The Science Day celebrations in 2023 yielded several positive outcomes .</p> <p>The activities sparked increased interest in physics, with many students expressing a heightened enthusiasm for their studies.</p> <p>Students gained a better understanding of current research trends and methodologies in physics.</p>

EVENT ORGANIZED REPORT **(2022-2023)**

Name of Department	ZOOLOGY
Name of Event Organized	BLOOG GROUPING
Title of the Event	IMPORTANCE OF BLOOD GROUPS
Date of Event Organized	02/12/2022
Name of the coordinator of the Event	Dr. V. RATNA BHARATHI
Class of the Participant	BSc (BZC)
No. of Participant (Student +Staff)	30
Objective of the Event	To create the awareness among the students about importance of different Blood Groups.
Description of the event	Student experimental demonstration to determine the blood group.
Outcome of the Event	<p>Students could</p> <ul style="list-style-type: none">★ understand the different types of blood groups★ understand that blood transfusion requires precise blood grouping, which is crucial. A patient may experience potentially fatal intravenous clumping of their blood if blood is given to them if their blood type is incompatible with the blood type they receive.★ Blood type is very crucial for pregnant Rh – negative mother. A medication known as RhoGAM is required in these situations for the mother which will prevent the mother's body from producing antibodies that could harm the unborn child's blood cells.
