

Action Taken Reports for Curriculum Feedback 2022-23

1. Feedback on Curriculum by Students:

Action Taken:

Curriculum Enhancement:

- Based on the feedback, additional practical sessions and hands-on projects were incorporated into the curriculum to enhance learning outcomes.
- Updated course materials to include the latest industry trends and technologies.

Student Support Services:

- Implemented additional tutoring and mentoring programs to support students needing extra help.
- Organized workshops and seminars on emerging topics and skills to supplement the core curriculum.

Feedback Mechanism:

- Established regular feedback sessions to continuously gather student input and address any concerns promptly.

2. Feedback on Curriculum by Employers

Action Taken:

Industry Collaboration:

- Strengthened ties with industry partners to ensure the curriculum remains relevant to market needs.
- Invited industry experts to participate in curriculum development and guest lectures.

Skill Development:

- Introduced new courses and modules focusing on skills that employers identified as crucial, such as data analysis, digital literacy, and project management.
- Expanded internship and apprenticeship programs to provide students with real-world experience.

Career Services:

- Enhanced career counseling and placement services to better prepare students for job opportunities.
- Organized career fairs and networking events with top employers.

3. Feedback on Curriculum by Teachers

Action Taken:

Professional Development:

- Conducted regular training sessions and workshops for teachers to stay updated with the latest teaching methodologies and subject knowledge.
- Provided opportunities for teachers to attend conferences and seminars for professional growth.

Resource Allocation:

- Improved access to teaching resources, including updated textbooks, digital tools, and laboratory equipment.

4. Feedback on Curriculum by Alumni

Action Taken:

Alumni Engagement:

- Strengthened alumni networks and created platforms for alumni to provide continuous feedback and support current students.
- Organized alumni mentorship programs to guide students in their career paths.

Curriculum Updates:

- Incorporated alumni feedback to update and refine the curriculum, ensuring it meets the evolving needs of the job market.
- Introduced case studies and project work based on real-world challenges faced by alumni in their professional lives.

Career Advancement:

- Developed continuing education programs and short term courses for alumni to enhance their skills and stay competitive.
- Facilitated alumni involvement in guest lectures, workshops, and seminars to share their experiences and insights with current students.
