

Action Taken Reports on Curriculum Feedback for 2021-22

1. Student Feedback Analysis Report

Parameters Evaluated:

Depth of course content including project work

Extent of coverage of course

Applicability/relevance to real-life situations

Learning value (knowledge, concepts, skills, etc.)

Clarity and relevance of textual reading material

Relevance of additional source material (Library)

Extent of effort required by students

Overall rating

Feedback Summary:

Over 92% of students felt the overall effectiveness of the curriculum was good.

Depth of Course Content: 81% Very Good, 15.7% Good

Course Coverage: 76.6% Very Good, 21.1% Good

Applicability to Real-Life Situations: 71.9% Very Good, 22.8% Good

Learning Value: 67.7% Very Good, 26% Good

Clarity and Relevance of Textual Reading Material: 73.6% Very Good, 23% Good

Relevance of Additional Source Material: 78.3% Very Good, 19.1% Good

Effort Required by Students: 74.6% Very Good, 24% Good

Overall Rating: 91.9% Very Good, 5.9% Good

Actions Taken:

- Enhanced Course Content: Integrated more project-based learning and case studies to deepen understanding.
- Updated Reading Materials: Increased the variety and relevance of textual reading materials in the library.

- Practical Applications: Added more practical examples and real-life applications into the curriculum.
- Learning Support: Organized additional workshops and seminars to improve analytical and manual skills.
- Regular Feedback Sessions: Established regular feedback sessions to continuously improve the curriculum based on student suggestions.

2. Teacher Feedback Analysis Report

Parameters Evaluated:

Curriculum suitability and need-based nature

Clarity of syllabi objectives

Availability of reference materials

Balance between theory and application

Interest generated by the curriculum

Knowledge and perspective enhancement

Availability of optional papers

Relevance of reference materials

Infrastructural facilities

Staff canteen availability

Timely conduct of tests and examinations

Freedom to propose and adopt new teaching strategies

Conducive environment for teaching and research

Administrative support and research funding

Feedback Summary:

High satisfaction with the curriculum, reference materials, and balance between theory and application.

Need for better infrastructural facilities and more support for professional development.

Actions Taken:

- Curriculum Enhancement: Included more optional papers and updated reference materials.
- Infrastructural Improvements: Improved teacher's rooms, classrooms, and reading rooms.
- Support for Research: Increased funding and support for faculty research and professional development.

- Administrative Support: Maintained a teacher-friendly administrative environment.
- Teaching Freedom: Encouraged faculty to propose and adopt innovative teaching and assessment strategies.

3. Alumni Feedback Analysis Report

Suggestions:

More training programs for students

Increased placements and internships

Industry tie-ups for training and apprenticeships

Improved scholarships

Actions Taken:

- Training Programs: Organized regular training programs and workshops for students.
- Placement Opportunities: Strengthened the placement cell and forged partnerships with industries for internships.
- Industry Tie-Ups: Established more industry tie-ups to provide practical exposure and apprenticeships.
- Scholarships: Enhanced scholarship programs through collaborations with external organizations.

4. Parent Feedback Analysis Report

Feedback Summary:

High satisfaction with infrastructure, safety, and learning experience.

Satisfaction with JKC and job-oriented training.

Need for improved career counseling.

Actions Taken:

- Progress Information System: Improved the system for informing parents about their ward's performance.
- Library Resources: Increased the number of resources in the library.
- Sports Facilities: Enhanced facilities provided by the sports department.
- Career Counseling: Strengthened career counseling services to create more awareness about future opportunities.

5. Employer Feedback Analysis Report

Suggestions:

Students need to be updated with current employment trends.

Hands-on experience is crucial before entering the organization.

Actions Taken:

- **Employment Training:** Introduced more hands-on training and workshops to better prepare students for employment.
- **Curriculum Update:** Updated the curriculum to include current industry trends and skills.
- **Resume Building Workshops:** Conducted workshops to help students improve their resumes and interview skills.
- **Enhanced IT Skills Training:** Strengthened IT skills training to meet employer expectations.

By implementing these actions, Dr. V. S. Krishna Government Degree College aims to continually improve the quality of education and enhance the overall learning experience for students, while also meeting the expectations of teachers, alumni, parents, and employers.
