The Department of Botany with collaboration of Microbiology and Biotechnology has organized Food festival by millets based food recipes on the occasion of Internationaal year of Millets 2023 on 09-11-2023. The Principal Dr. I Vijaya Babu garu, Botany In-Charge Dr. B. Chandramouli, Dr Shanthi, HOD Microbiology, Dr. Rekha, HOD of Biotechnology and faculty Dr. Swami Naidu, Dr. S. Padmavathi, Dr. V. Padmaja, Dr. AHD Pushpalatha and Dr. GRNS Sujatha were participated in the program and explained the importance Millets. Millets are low calory food and is useful for diabetic patients. It is also rich in vitamins and fibre popularized in recent days. On this Occasion the all staff members of Botany, all college teaching and Non teaching faculty and BZC students participated and tasted the delicious dishes prepared by students with Millets only. The program was grandly successful.
