World Bio-fuel Day celebrations on 10-08-2023 by Department of Botany

The Department of Botany has celebrated “ World Bio-fuel Day” on 10-08-2023 to create an awareness about the importance of Bio-fuels (Non Fossil Fuels) as an alternate to the conventional fossil fuels. This day honours the research experiments of Sir Rudolf Diesel who ran the engine with peanut oil.

Biofuels are environment friendly and not hazardous which are now used in place of Fossil fuels. The Principal Dr. I Vijaya Babu garu, addressed the students by explaining the importance of Bio-fuels and protection of Environment. Botany In-Charge Dr. B. Chandramouli and faculty Dr. Swami Naidu, Dr. S. Padmavathi, Dr. V. Padmaja, and Dr. AHD Pushpalatha were participated in the program and explained the importance of Bio-fuels and Fossil fuels to students to protect our mother environment.
