

Learning Resource Centre

The Learning Resource Centre (LRC) at Dr. V.S. Krishna Government Degree College is a cornerstone of the institution's academic support system. In addition to its vast collection of books, journals, and digital resources, the LRC organizes various events to enhance the learning experience.

Students can participate in **chart-making, group discussions, quizzes, seminars, and map-pointing competitions**. These activities are designed to promote critical thinking, creativity, and collaborative learning. The LRC also provides **comprehensive guidance for competitive exams**, including civil services examinations, equipping students with the necessary skills and knowledge to excel in their careers.

Celebrating Library-Related Days

The LRC also plays a crucial role in celebrating all **library-related days** by organizing various competitions among students and awarding prizes to winners. These celebrations highlight the importance of libraries and engage students in educational and fun activities.
